

Kingdom Conference Workshop Descriptions

Pre-Con: Senior Pastors & Ministry Couples

A special time of impartation with Dr. Michael and Dr. Twanna Henderson as they share how to effectively lead your church as partners in ministry. This session is for all Senior Pastors/spouses and ministry couples of church plants and congregations of all sizes. Learn how they continue to work together in a thriving ministry that has grown from 12 members in a recreation center to a mega church with three campus locations.

General Session I:

HELP THE HELPER: Recruiting, Mobilizing, and Sustaining Kingdom Volunteers

Learn biblical and practical principles to empowering people in the area of their gifting and skill set to lead in your ministry.

General Session II:

LEADERSHIP DEVELOPMENT:

Learn biblical and practical ways to develop servant leaders in your church and ministry through various forms of training. This includes areas of spiritual character building, spiritual and personal disciplines, accountability, integrity, effective communication, conflict resolution, and more.

Breakout Sessions Day 1:

1. CHURCH PLANTING

This session provides biblical and practical training where participants learn the basics of church planting and provides tools for those who want to plant a church, start a church, launch a new campus of an existing church, and for churches wanting to improve how they minister to their community. Participants will also meet and build relationships with other church planters who are on the same journey.

You will learn how to:

- Recruit and equip your launch team
- Maximize the guest experience
- Community Outreach and partnerships
- Navigate through natural church development

Who should attend?

- Pastors who desire to understand the world of church planting
- Church planters who desire to sharpen their skills
- Pastors looking to restart a church and build a new foundation
- Launch team members who want to be a strategic partner in the start of a new church

2. DEVELOPING A CULTURE OF EXCELLENCE:

Learn what it takes to have a 5-star ministry and how it sets you apart from the ordinary. This session will help you to train your ministry staff and teams to be an example of God's best in every area that He has charged you with.

3. KINGDOM ASSIMILATION: EFFECTIVE SYSTEMS AND PROCESSES

https://www.youtube.com/watch?v=bAYM_EZaPRE&feature=youtu.be

Learn how to develop and maintain systems and processes to sustain growth through assimilation and discipleship beginning at the Altar. You will obtain practical training on establishing an effective Orientation and New Member's Institute sessions which outlines how to formally assimilate guests, converts, and new members in your church and help them get connected and serve.

You need the right staff, processes, plans, systems, resources, tools, etc., to implement practical methods, applications, and approaches that will help you to manage the daily operations of your church with excellence and support future growth for your ministry.

Breakout Sessions Day 2:

1. FIRST TOUCH/HOSPITALITY

Learn how to go the extra mile in the area of hospitality by demonstrating ways to make new members, guests, and converts feel like the VIPs they are.

2. LIFE GROUPS

This session will help you to develop and train ministry disciples to help equip the saints for servant/leadership by providing sound biblical teachings and materials that encourages spiritual growth.

3. HOW TO SERVE YOUR PASTOR AND LEADER WELL

The Armor Bearer's position is a God-given one and those called to it must be faithful stewards of that duty. It is an attitude of the heart.

This session outlines the functions of an armor bearer and how to carry out the role utilizing the Spiritual Gifts of helps, exhortation, intercession, faith, and discernment, for the First Family of your church.

4. WHO'S HOLDING YOUR LADDER?

This session caters specifically to Administrative and Executive Assistants and is designed to equip and empower those who serve senior pastors/spouses, elders, etc. directly with the knowledge to support your leader(s) and manage programs, projects, and people in the ministry/organization in which they serve.

Participants will leave this session EQUIPPED to serve their senior leader, ENCOURAGED to learn more about their leader and vision, and EMPOWERED to move the ministry forward by executing the God given vision of senior leadership.
